### GOALDEN GOALS RULES

All bets are 90 minutes play only. Extra time does not count. All bets – singles and upwards accepted. Own goals do not count. Goal scorers will be declared by the Press Association. Doubles and multiple bets should be written on a separate betting slip. Entries made on betting slips other than the Golden Goals coupon, should clearly define whether bets are intended for 'First Goal' or 'Last Goal'. Should a client make a plain paper entry naming a player and entering a stake, but not quoting relevant odds and failing to stipulate the type of bet required, then stakes for that bet will be divided equally between 'First Goal' or 'Last Goal'.

Different bets may not be combined where the result of one bet influences the outcome of another. The same player cannot be backed in a double i.e. a double on Wayne Rooney to score 'the Last Goal' and to score the 'First Goal' is not permitted and would be settled with half stakes on each result.

Should a match be abandoned before 90 minutes playing time has elapsed First Goalscorer bets will stand provided a goal has been scored. Last Goalscorer bets void.

**FIRST GOALSCORER:** Players taking no part or coming on after the first goal has been scored, stakes returned.

**LAST GOALSCORER:** A player who plays in any part of the official 90 minutes is deemed a 'runner' for last goalscorer purposes. Stakes returned on selections who take no part.

**EACH-WAY GOAL SCORER:** Players taking no part or coming on after the first goal has been scored, stakes returned. The place part of the bet will be settled at one third of the odds on all goals scored in the game. If a match finished goalless, both parts of the bet will be deemed losers. If a player scores two or more goals in a match, only the first goal scored counts for betting purposes. Place only bets are not permitted, and if accepted in error, the bet will be settled as 'each way' with the stake divided.

**TO SCORE AT ANYTIME:** A player who plays in any part of the official 90 minutes is deemed a 'runner' for score at anytime purposes. Stakes returned on selections who take no part.

All First and Last goalscorer betting will be settled according to the official result passed by the Press Association immediately after the match. Any subsequent amendment to P.A. records will be disregarded for betting purposes.

Prices for players not quoted on the coupon are available on application. Our maximum payout limit on football betting as displayed in this office will govern all bets accepted on the Golden Goals coupon. All our other usual football rules apply.
