Extra time does not count. Should a match be abandoned before 90 minutes playing time has elapsed 'first goalscorer' bets will stand provided a goal has been scored (90 mins betting, correct scores, half time/full times & 'last goalscorer', bets void). **First Goalscorer bets:** Players taking no part or coming on after the first goal has been scored stakes returned. **Last Goalscorer bets:** A player who plays in any part of the official 90 mins (inc. injury time), is deemed a 'runner' for last goalscorer purposes. **Each-Way Goal Scorer:** Players taking no part or coming on after the first goal has been scored, stakes returned. The place part of the bet will be settled at one third of the odds on all goals scored in the game. If a match finishes goalless, both parts of the bet will be deemed losers. If a player scores two or more goals in a match, only the first goal scored counts for betting purposes. Place only bets are not permitted, and if accepted in error, the bet will be settled as 'each way' with the stake divided. Stakes returned on selections who take no part.
